

# Looking to **SAVE MONEY** on your **Electric Bill?**

SMALL BUSINESS and LARGE COMMERCIAL Electric Customers

Start **SAVING** up to **15%** on the supply portion of your electric bill today!

The only change is you save money:

- Your utility, billing, repair and meter reading remain the same.
- You continue to receive **ONE BILL** from your current utility.
- **NO service interruptions**
- **NO fees**
- **NO cost to enroll**
- **NO deposit**
- Variable or Fixed Pricing Available

## Deregulation of Electricity:

Simply put, you have a choice of where you buy your electricity. Your local utility will continue to provide service, reliability, meter reading and you will still only get one bill from the utility.

## FREE ANALYSIS - 3 Easy Steps:

- 1 Provide us with 3 recent electric bills
- 2 We conduct a No Obligation analysis of your usage to see if you qualify for a better energy program
- 3 We supply you with a Fixed and a Variable option and YOU choose your Savings Plan

## Our Mission:

To provide low-cost energy by procuring electricity at wholesale rates and pass the savings on to our customers.

**First Point Power** is a licensed competitive energy supplier located in Rhode Island. We serve residential, commercial, and municipal electricity supply markets in the State of Rhode Island and Massachusetts. As a member of the New England Power Pool, we are able to procure electricity at wholesale rates and pass on the savings to our customers.
